Rental Contract for Use of City-Owned Property

The Citizens of West Orange have constructed a facility they would like the public to have access to and enjoy. Keeping this in mind taxpayers have spent dollars making this building a nice place to meet. To keep this facility an impressive complex we must make and enforce rules for its success. Should you have any comments regarding these rules and regulations please contact the City Official in charge of the rentals.

1. Reservations must be made in person at the West Orange City Hall, Office of City Secretary or her designee, later referred to as "City Official" during normal operating business hours. This statement shall guarantee that any person/group reserving the building shall be responsible for damages to building, grounds and/or equipment. Each person/group is responsible for their guests, whether invited or not. A refundable damage deposit is also required and is listed on the fee schedule, available from the City Official.
4. **The rental fee charges are from the time renter enters the building until the time renter leaves the building, which includes set-up and clean-up times.**

8. No explosive devices are allowed on the property by renter or guests.
9. The City Official reserves the right to cancel the Rental Agreement at anytime to conduct city business. If this occurs the renter will get a full refund on all monies and deposits made, as long as the building has not been used.
10. A full refund will be given if a natural disaster or evacuation occurs within the City of West Orange, during the rental period.
11. **The building should be left in the same condition as it was upon arrival.** This will be insured by doing a walk-through, by the City Official prior to and after the rental.
